Casa Grande, AZ 85222

Attn: Frank Corder

Re: Casa Grande Villago Middle School
LSW Project No. 2012-051.001

Authorization for Additional Services No. 3

Engineering services, submittal review and one field observation for the addition of an air/dirt separator in the existing chilled water piping at the Villago Middle School. Also included is an estimate of probable construction cost

Our fee for the above referenced work shall be \$2,715.

All other terms and conditions of our original agreement shall apply. Please sign and return the original of this authorization to our office promptly so we may begin the work as requested.

Sincerely,

LSW ENGINEERS ARIZONA, INC.

Robert J. Willcoxson, Jr., P.E., LEED AP
